

A LIBERAL CONTRIBUTION.

Griffing Bros. Donate Handsome Trees and Shrubbery to Bible Conference.

Ferd Bayer, secretary of the Florida Winter Bible Conference, is in receipt of a contribution of an assortment of trees, roses, etc., from the Griffing Bros. Co., nursery, Macclenny, to be used in ornamenting the grounds around the Tabernacle. Mr. Bayer has also in the past few days set out palm-trees, magnolia and oak trees on these grounds. Mr. Bayer is to be commended for his energy in beautifying the grounds, which by next season will make a handsome contrast with the surrounding yards and gardens.

HEALTH IS YOUTH.

Diseases and Sickness Bring Old Age.

Herbine, taken every morning before breakfast, will keep you in robust health—fit you to ward off disease. It cures constipation, biliousness, dyspepsia, fever, skin, liver and kidney complaints. It does all you claim for it. I highly recommend it." 50c a bottle. Sold by W. M. Johnson.

LAWYERS WRANGLE OVER JUROR

Sensational Turn of Affairs in the Famous Hargis Wit in Kentucky.

Lexington, Ky., April 15.—The contention among the attorneys in the Hargis case over the retention on the jury of R. W. Bacon, who made the sensational statement late yesterday that had apprised attorneys for the defense that he was a friend of Hargis and had also sent the name to them of another man who was also friendly for jury service, was renewed today and resulted in heated debates which frequently called for interference by the court. As the state had exhausted the challenges, the defense insisted on Bacon remaining on the panel, holding that the state should be made to abide by its own mistake. The court decided to hear evidence.

Colonel Allen, for the prosecution, was put under oath and told how he got the information of Bacon's attitude after he had exhausted his challenges, but did not give the name of his informant. The court then took the lawyers into a room and secretly discussed the matter, declaring he would announce his decision at the end of the day as to Bacon's retention on the jury.

Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine E. H. Wolfe of Bear Grove, Iowa, cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." All druggists guarantee them at 50c.

150 Persons Escape Fearful Fate.

New York, April 15.—Only about \$25,000 loss was caused by fire early today which destroyed a six story building at 129 and 131 Hester street in the heart of the Hebrew settlement on the lower East Side. Only the front walls were left standing. Early reports were to the effect that scores of persons were asleep in the building but these proved untrue. There was no one on the premises except the watchman. The building was filled with sweat shops. A tenement adjoining was damaged on the upper floors. Policemen routed about 150 persons from their beds and drove them to the street, but no one was hurt.

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain as long as possible ones youthful appearance. It is impossible to do this without retaining a luxurious growth of hair. The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness. Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use. Herpicide makes an elegant hair dressing as well as Dandruff cure. Accept no substitute—there is none. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. J. S. Bodiford & Co., Special Agents

WORKING TO SETTLE STRIKE.

Situation in Chicago Has a Decided Hopeful Outlook.

Chicago, April 15.—A more hopeful outlook for the settlement of the Montgomery-Ward teamsters and garment workers' strike developed today.

Labor leaders and an attorney representing the employing tailors' association held a conference with Mayor Dunne, and as a result it was stated that Montgomery, Ward & Co. were willing to take back the striking garment workers. The point upon which settlement would hinge was the basis upon which the garment workers would be taken back. President Cornelius P. Shea, of the Teamsters' union, President Dold, of the Chicago Federation of Labor, and President F. H. Rickert, of the Garment Workers represented the strikers in the conference. Attorney J. Isaacs spoke for the employing tailors' association.

After the conference, which was preliminary, Attorney Isaacs left to confer with the employers previous to returning again to the mayor.

Central to Build New Line.

Savannah, Ga., April 17.—It is definitely announced here that the Central railroad has decided to extend its Columbus and Greenville line from Greenville, in Meriwether county, to Newnan, in Coweta county, a distance of about 18 miles. This extension will be accompanied by a broadening of the gauge on the old road and will thus give the Central a short line to Atlanta, through its connection with the Atlanta and West Point railway at Newnan, and direct connection with Chattanooga, through Cedartown and Rome.
